Riverview council talks K-8 school

A public hearing will be held tonight prior to Riverview council's regular meeting regarding the proposed rezoning of land on Ogden Drive, identified as PID#994640.

The hearing, which allows residents to voice any concerns or to ask questions, takes place at town hall at 6:30 p.m.

Immediately following the hearing, council

will hold its regular meeting in which it will discuss a land agreement for the new kindergarten to Grade 8 school to be built in east Riverview.

The new east-end school, which will replace Gunningsville and Lower Coverdale schools, is expected to open in 2013.

Also on council's agenda for tonight is the

first readings of a bylaw to amend the town's zoning bylaw and another bylaw relating to the salaries of the mayor and councillors. Tenders will be awarded for concrete curb and sidewalk and also for a decorative streetlight pole replacement.

Riverview Town Hall is located at 30 Honour House Court, off Buckingham Avenue.
